To purchase Certified Copies online, you must first search for the Property Tax Map Number. **Enter** (type) the property address and select the address from the listing.

The screenshot shows a web browser window with the URL `clerk.suffolkcountyny.gov/Kiosk/SearchPages/MainSearch.aspx`. The page header includes a navigation menu with links for Home, Instructions, Search Records, Pulse, Agreement, and Contact, along with a Login button. The main content area features a map of Suffolk County, New York, with a search box in the top left corner containing the text "17 clusterpine". A red arrow points to this search box. Below the search box, a tooltip displays the address "17 Clusterpine St, Medford, NY, 11763, USA". The map shows various towns and landmarks, including the Long Island Sound and the New York City area. At the bottom of the page, there are input fields for "Property Tax Map ID", "Date From", and "Date To", with a placeholder text "Enter Address Above to Find a Tax Map ID" in the first field.

The map will load, click the house. The Tax Map Number will automatically load in the **Property Tax Map ID** field.

Then click **Search**.

**(If you are searching a *condominium*, you *cannot* use the *property address* to search. You must enter the exact Tax Map Number for property. If you do not have the Tax Map Number, you may contact the Town Assessor's office in which the property is located.)**

The screenshot displays the Suffolk County Clerk's website interface. At the top, there is a navigation bar with a "Login" button and a "Select Language" dropdown. The main header features the Suffolk County Clerk's name, Vincent Puleo, and the county seal. Below the header, a "Search Records" section is visible, including a help link "(Click '?' for help)".

The central part of the page shows a map of a residential area. A search bar at the top left of the map contains the address "17 Clusterpine St, Medford, NY, 11763, USA". A tooltip is displayed over a house on the map, containing the text "Click on house to get Tax Map", the address "17 Clusterpine St, Medford, New York, 11763", and a "Zoom to" link.

Below the map, there are three search fields:

- Property Tax Map ID:** A text input field with the placeholder text "Enter Address Above to Find a Tax Map ID".
- Date From:** A date input field with the placeholder text "mm/dd/yyyy".
- Date To:** A date input field with the placeholder text "mm/dd/yyyy".
