Each search category lists the specific search results for that search (to right of the Search button).

You may search by anyone of the following categories: **Address, Property Tax Map ID, Last Name/Corporation, Liber and Page, Index Number, UCC Number or Business Name.** Click the circle next to your choice to active that search option.

NOTE: If you are searching a condominium, you **cannot use the property address** to search. You must enter the exact **Tax Map Number** for the property. If you do not have the **Tax Map Number**, you may contact the [Town Assessor's Office](#) in which the property is located.

Enter your search criteria and click the **Search** button.
